COMPANY BRIEF PROFILE

OVER 7 YEARS OF SPECIALIZED PRACTICE

BRIEF INTRODUCTION

Incorporated in the year 2012 with 3 young and dynamic chartered accountants, the firm has been able to progress on its success path through the team of more than 20 members in 2019 and more than 250 clients in large and SME segment spanning across varied sectors.

With our specialty in the field of GST, the firm has augmented into multi-faced services under one roof by engaging specialized practitioners from different fields such as Accountancy, Income Tax, Transfer Pricing, Foreign Exchange Laws of India, Audit and Assurance including internal audits and systems audit, structuring services and CFO services.

WELCOME MESSAGE

With robust outlook of the Indian economic where service sector is the predominant contributor and India opening up its doors to FDIs, FIIs, PEs with efforts in the direction of ease of operations, the need of chartered accountants has always been path guiding. Although, tremendous efforts are being made in terms of ease and reduction in compliance and government departmental liaising, the transition is going to be upheaval where businesses would always need handholding from chartered accountants.

At ConsultingEdge, each enquiry is given diligent importance and the firm has always weigh its clients equally. With "Baniya Gujarati" leadership and diverse cultural members on board, the firm has been able to cater to various requirements of multi-faced businesses.
